

ARNOLD CLC CORE PROGRAM

November 2014

November is here, and the first quarter of school is behind us! We have had a wonderful time getting to know your youth, and learning about their interests. Each one of our participants are unique in their own way, and we value that in them. We encourage each of them to communicate what they like and dislike about before and after school programming so we can make adjustments that will be better received by those that matter.

With the holidays around the corner, we have some closures to share. The Air Park Neighborhood Center will only be open from 4-8 PM on November 11th in honor of Veteran's Day. There will not be any programming on November 27th or 28th due to the Thanksgiving holiday. Please make plans accordingly.

If you have any questions or suggestions, please don't hesitate to give us a call. Our cell phone on site is (402) 560-2582. This phone is only on during program hours. You can also reach us at the Air Park Neighborhood Center (402) 441-7876.

The Air Park Neighborhood Center and the Arnold CLC Core Program newsletter is going electronic in December! We're thrilled to have this opportunity to share information about our programs with families and participants via e-mail and social media. If you provided us with your e-mail address on our registration or family information form, you will be receiving an e-mail from us in December. You can also follow us on **Twitter @AirParkRec** for center and core program news.
